

(3) Any review, change, modification, or promulgation of Department policies, programs, or activities to ensure that the policies, programs, or activities are appropriate for children.

(4) Coordination with organizations or experts outside the Department, under such paragraph (6), conducted to inform any review, change, modification, or promulgation of policies, programs, or activities described in paragraph (2) or (3) of this subsection.

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 263—EXPRESSING THE SENSE OF THE SENATE THAT PRESIDENT JUAN MANUEL SANTOS HAS RESTRUCTURED AND SIGNIFICANTLY STRENGTHENED THE ENVIRONMENTAL SECTOR AND MANAGEMENT CAPACITY OF THE COLOMBIAN GOVERNMENT AND HAS LED THE COUNTRY TO BECOME A GLOBAL ENVIRONMENTAL LEADER

Mr. LEAHY submitted the following resolution; which was referred to the Committee on Foreign Relations:

Mr. LEAHY. Mr. President, today I am introducing a sense-of-senate resolution commending Colombian President Juan Manuel Santos for his extraordinary leadership in protecting Colombia's natural environment. Anyone who has lived in, traveled to, or read about Colombia knows it is a country of exceptional beauty and biological diversity. It is also home to many indigenous groups who have played an indispensable role as environmental stewards of their territories. During the years of his Presidency, President Santos's efforts have not only established Colombia as a global environmental leader, they will provide lasting benefits to future generations and to the international community.

On September 21, President Santos will be honored by the National Geographic Society for his efforts to protect Colombia's natural environment, and I believe the U.S. Senate should also recognize his achievements.

S. RES. 263

Whereas Colombia is one of the world's "megadiverse" countries, hosting close to 10 percent of the planet's biodiversity and producing an estimated 15 percent of the world's oxygen;

Whereas Colombia occupies—

- (1) first place worldwide in the number of birds and orchids;
- (2) second place in species of plants, amphibians, butterflies and fresh water fish;
- (3) third place in species of palm trees and reptiles;
- (4) fourth place in biodiversity of mammals; and
- (5) fifth place in marine and continental ecosystems;

Whereas Colombia's extraordinary mix of ecological, climatic, and biological components are dispersed among its 311 ecosystems and 59 protected areas;

Whereas Colombia's biodiversity is at risk, mainly because of habitat loss, urbanization, illicit drug cultivation and production, min-

ing and other extractive industries, deforestation, and overfishing;

Whereas on the day of his inauguration in 2010, and continuously since that date, President Santos has made environmental management and resource conservation top priorities of the Colombian Government;

Whereas since his inauguration, 14,800,000 hectares of territory have been incorporated into the National System of Protected Areas, including Chiribiquete National Park, Corales de Profundidad National Park, Acandí, Playón and Playona Wildlife Sanctuaries, and Bahía Portete -Kaurrele National Natural Park;

Whereas Colombia now has 28,400,000 hectares incorporated into the National System of Protected Areas;

Whereas the Colombian Government approved the establishment and expansion of indigenous reserves to protect indigenous cultures and curtail deforestation of critical ecosystems;

Whereas the Colombian Government adopted measures to reduce carbon emissions resulting from deforestation in the Colombian Amazon;

Whereas the Colombian Government developed a national strategy to combat climate change;

Whereas, through the Vision Amazonia initiative, the Colombian Government has set an ambitious goal of achieving zero net deforestation in the Colombian Amazon by 2020;

Whereas for the first time in 2016, the Colombian Government completed a greenhouse gas emissions inventory that includes data from both department and municipal levels; and

Whereas Colombia played a primary role in the Rio+20 Conference agenda for a green economy and continues to be an active member in the international environmental dialogue;

Now, therefore, be it

Resolved, That it is the sense of the Senate that—

(1) President Juan Manuel Santos has restructured and significantly strengthened the environmental sector and management capacity of the Colombian Government and has led the country to become a global environmental leader;

(2) President Santos has enhanced public awareness of the importance of protecting indigenous cultures and of the indispensable role of indigenous people in protecting the environment;

(3) President Santos' efforts to protect Colombia's biodiversity will provide lasting benefits to future generations of Colombians and to the international community; and

(4) President Santos should be recognized and commended for these efforts and achievements.

SENATE RESOLUTION 264—DESIGNATING SEPTEMBER 2017 AS "NATIONAL KINSHIP CARE MONTH"

Mr. WYDEN (for himself, Mr. HATCH, Mr. CASEY, Mr. KAINE, and Ms. KLOBUCHAR) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 264

Whereas in September 2017, "National Kinship Care Month" is observed;

Whereas nationally 2,700,000 children are living in kinship care with grandparents or other relatives;

Whereas nationally more than 125,000 kinship children in foster care are placed with grandparents or other relatives, with more

than 2,570,000 kinship children supported outside of the foster care system;

Whereas grandparents and other relatives are increasingly providing caring homes for children because of the opioid crisis;

Whereas grandparents and relatives residing in urban, rural, and suburban households in every county of the United States have stepped forward out of love and loyalty to care for children during times in which biological parents are unable to do so;

Whereas kinship caregivers provide safety, promote well-being, and establish stable households for vulnerable children;

Whereas kinship care enables a child—

(1) to maintain family relationships and cultural heritage; and

(2) to remain in the community of the child;

Whereas kinship care is a national resource that provides loving homes for children at risk;

Whereas kinship caregivers face daunting challenges to keep countless children from entering foster care;

Whereas the Senate is proud to recognize the many kinship care families in which a child is raised by grandparents or other relatives;

Whereas the Senate wishes to honor the many kinship caregivers who throughout the history of the United States have provided loving homes for parentless children;

Whereas National Kinship Care Month provides an opportunity to urge people in every State to join in recognizing and celebrating kinship caregiving families and the tradition of families in the United States to help raise children; and

Whereas much remains to be done to ensure that all children have a safe, loving, nurturing, and permanent family, regardless of age or special needs: Now, therefore, be it

Resolved, That the Senate—

(1) designates September 2017 as "National Kinship Care Month";

(2) encourages Congress to implement policies to improve the lives of vulnerable children and families;

(3) honors the commitment and dedication of kinship caregivers and the advocates and allies who work tirelessly to provide assistance and services to kinship caregiving families; and

(4) reaffirms the need to continue working to improve the outcomes of all vulnerable children through parts B and E of title IV of the Social Security Act (42 U.S.C. 601 et seq.), and other programs designed—

(A) to support vulnerable families;

(B) to invest in prevention and reunification services; and

(C) to ensure that extended family members who take on the role of kinship caregivers receive the necessary support.

SENATE RESOLUTION 265—DESIGNATING SEPTEMBER 22, 2017, AS "NATIONAL FALLS PREVENTION AWARENESS DAY" TO RAISE AWARENESS AND ENCOURAGE THE PREVENTION OF FALLS AMONG OLDER ADULTS

Ms. COLLINS (for herself and Mr. CASEY) submitted the following resolution; which was considered and agreed to:

S. RES. 265

Whereas individuals who are 65 years of age or older (referred to in this preamble as "older adults") are the fastest growing segment of the population in the United States and the number of older adults in the United States will increase from 46,200,000 in 2014 to 82,300,000 in 2040;
